*In Re: Mirena IUD Products Liability Litigation, 13-MC-2434 (S.D.N.Y.)*

Dear Judge Seibel,

The parties write to provide a status update on the settlement of Mirena cases nationwide per the Court's July 30, 2019 Order.

We are pleased to report that on November 20, 2019, all settlement preconditions were met, and the qualified settlement fund was fully funded. Plaintiffs' leadership is preparing the distributions while simultaneously Defendants are preparing dismissals to file in courts throughout the country.

At this time, the parties respectfully request that the MDL be closed. We are grateful for the Court and your staff for your assistance in this matter over the past years.

Respectfully submitted,
